Requirements for requesting a TN Domain User Account:

1. Complete the ***DCSIM Domain Account Request Form.*** (Please Use the Refresh if it does not Load into PureEdge)

2. Read and sign last page of the Computer-User Agreement (Last Page).

3. Complete *DOD Information Assurance Awareness Training* on Fort Gordon's website at: ***http://ia.gordon.army.mil/default.asp*** and get printed Certificate of training. This must be done yearly for all Domain Members. You must take the test and send the certificate from the passing of the test, not the completion of training certificate.

You must have a CAC card with a AKO email address before you can take the test.

4. IAW Department of the Army All Army Activity (ALARACT) 147-2007, you are required to take *Personally Identifiable Information (PII) Awareness training* to have a network account. If you are receiving this message at this time you have not taken the training. To take this train, click the link below.

Click Here to Take Training!

AKO account is needed for training

Once you get to the site, you will have to register to get a username and password. Once registered and signed in, please click on the Course List on the left hand side. Under the course list you will select and take ARMY G3 COMPUTER SECURITY TRAINING Once you have completed this training, you will receive an email with the certificate. Please forward that certificate to helpdesktn@ng.army.mil Once the helpdesk has marked the certificate as received, you will no longer get this pop-up.

Fax completed and signed copy of the **DOIM New User Request Form** & **Certificate of Training** (IA Awareness Training) and the **ARMY G3 COMPUTER SECURITY TRAINING (PII)** to the DCSIM office fax at (615) 313-7533.

Note: Contact your local IASO/SA before sending this info. They must sign the Domain Account Request Form in the Security Officer Signature Line. Also, they must be listed on Page 14 with a contact Phone Number for your IASO.

If you have Questions about this form or want general information about setting up a account contact your LOCAL IASO or the Help Desk at 313-7523.

Welcome to the U.S. Army Information Assurance Virtual Training

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.
By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct, law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- Any communications occurring on or data stored on this IS, or any device attached to this IS, may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of priveleged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential.

☐ I acknowledge and accept the above access statement.
